

RIDC Businesses and Employees Electronics Recycling Event

May 17th – 10:00am to 1:00pm

90 Beta Drive at Ascent Data

Schedule Ahead!!!

Contact us ahead of time for large pickups and we will either collect the material the day of the event at your business with no pickup fee or for a small fee we can pickup your end of life IT assets at your convenience.

Better Together

A special thanks to the RIDC Business Alliance for making these events possible. Together we can create a sustainable environment for the Greater Pittsburgh Area.

What, when, and where?

Please drop off your electronics at 90 Beta Drive, RIDC Park at Ascent Data. We accept all electronics with the exception of AC Units, large appliances, light bulbs, smoke detectors, and small household batteries. All TV's and CRT monitors will incur a charge of \$0.70/lb.

Other Services

At the event we will be offering on site physical destruction for \$5.00 per drive. Otherwise our general data destruction at our facility is guaranteed and free of charge. We offer other services such as IT asset brokering, IT procurement services, and physical data center / office migration for your IT assets. Please inquire at info@evolutionecycling.com
